This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and who are currently registered member(s) of a U.S. Figure Skating member club, a collegiate club or who is an individual member in accordance with the [current rulebook](#). Skaters representing a foreign association must refer to the U.S. Figure Skating Rulebook regarding entry rules.

By submitting their entry, participants verify that the filming of the video was done so in accordance with any local public health guidelines they are required to follow. It is the responsibility of each participant / team to ensure their own compliance.

Please remember that this is a virtual event, so there are a lot of variables that we cannot control and are outside the scope and realm of this event. Video submissions will be varied in quality, and the officials will be doing their best, given the variability of angles they will be watching and the different lighting and quality of videos submitted.

ELIGIBILITY/TEST LEVEL:

Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. For the 2020-2021 competition season, athletes may skate up two levels above that for which they qualify but they are not eligible for IJS Test Credit. Note, athletes may not skate down in any event.
